

# MHS MISSIVE

## LETTER FROM ADMINISTRATION

It is hard to believe it is already October! The first few weeks of school have flown by and we are so proud of the hard work exhibited by our students from the classroom to the athletic fields and courts. MHS has so much of which to be proud!

As we kick-off Homecoming Week, we encourage you to review the events and dates for the week as you and your students support our Blue Jays.

We would like to formally invite you to parent/teacher conferences later this month. We will open our building to parents from 4:30-7:30 on October 22nd and 24th. Please mark your calendar and plan to attend to talk with your student's teachers.

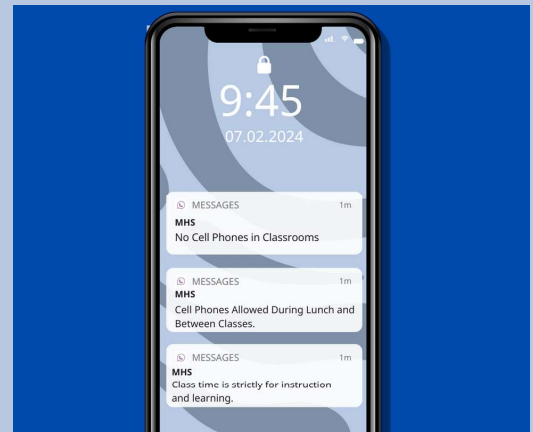

Thank you for all you do to encourage attendance and strong school participation among our students. We are looking forward to another great month at MHS!

In education,

MHS Administration

## CELL PHONE POLICY

Thank you for your support of the cell phone policy. We are already seeing increased engagement in the classroom. Please keep doing your part to encourage students to remain off all devices during instructional time and helping them to see that you also prioritize learning and academics when in the classroom.

# PROGRESS REPORTS

Check your email inboxes this week, as you will be receiving progress 2 grade reports, a current lunch balance report, and the attendance record for your student.

As a reminder, progress period grades do not go on transcripts, but are a good look at the current grades in each class for your student. This is a great time to have a conversation with your student and your student's teachers to make sure we are reaching for success.

# ATHLETIC OFFICE

Our athletic department is thrilled to welcome all our fall athletes back to the courts, fields, and pool! As we kick off the season, we'd like to remind parents that there is a required athletic fee of \$50, payable to the Marshfield Athletic Department, for participation in any sport throughout the year. This fee helps cover the cost of uniform replacements and other team expenses. For families qualifying for free or reduced lunch, we offer options to assist with this fee.

It's never too early to get a head start on preparations for your winter and spring athletes! Scheduling their physicals now can help avoid the last-minute rush at doctors' offices, ensuring a smooth and stress-free process. Additionally, by paying the athletic fee early, your student will receive free entry to all home athletic events throughout the year. This is a great opportunity to streamline the process and support our school's athletic programs.

If you have any questions or need assistance, please don't hesitate to reach out.

Let's gear up for a fantastic year of sports!
