Dear Employee or Volunteer:

Welcome to our school district. Our board policies regarding non-discrimination and freedom from sexual harassment can be found on our website at www.miays.us, under the Board of Education tab, Board Policies and Regulations (policy C-130). We require your acknowledgement stating that you have received information concerning our policies. If you are an employee, you should do this in the teacher academy or first faculty meeting before school begins. If you are a volunteer, you must complete the following Volunteer Application.

Thank you for your interest and dedication, as we strive to ensure we maintain a working environment free from discrimination and harassment. Should you have any questions, please do not hesitate to bring them to our attention.

Sincerely yours,
