

VIRTUAL CLINIC

Your school Virtual Clinic offers treatment of common acute illnesses right from your place of work. Using the latest technology you will connect with a healthcare provider to discuss and evaluate your symptoms so you can begin a treatment plan to start feeling better sooner. Our virtual patient navigator will be setup at a designated clinic location or can come directly to you. (Please note that visits must occur in a private room.)

***These Visits are offered to Marshfield School District Staff and their Children at no cost to you.**

To request to be seen follow these instructions:

Send an email to: virtualvisits-marshfield@coxhealth.com

SUBJECT LINE: VISIT REQUEST

BODY: Location of visit, preferred time and your phone number

Please do not include any personal information in your email request

Your Virtual Patient Navigator will reply with confirmation and will meet with you at the designated time and location.
