September 10, 2020

Blue Jay Community

Today, we learned that a Marshfield High School and Marshfield Junior High School staff member have tested positive for COVID-19. The staff members have not been on campus today or yesterday. We are working on the contact tracing protocol with local health officials to determine who meets the qualifications of a close contact. All individuals who are considered close contacts will be contacted by the Webster County Health Unit. As always, we ask all students, staff, and parents to monitor for symptoms and stay at home if you exhibit one or more of the following symptoms: fever over 100.4, chills, dry cough, and loss of taste and/or smell. Additionally, the Webster County Health Unit asks for individuals to get tested ONLY if they are exhibiting COVID 19 symptoms. Please remember to practice good hygiene by washing hands for 20 seconds with soap and water and avoid touching your nose, mouth, and eyes.

Again, those individuals that are determined to be close contacts will be contacted with further information.

Sincerely

David Steward, Superintendent
